*Touching Lives for Greatness*

## Who is PCS?

PCS is a growing company whose mission is to help people discover their greatness. Inspired by our guiding belief that people are valuable, PCS currently provides a wide variety of counseling services to children, adults, and families in ten counties across south central Pennsylvania. Our goal is to create an experience whereby our clients learn what it truly means to be cared for by a healthy adult.

## Is PCS the company I want to work for?

PCS is a place where miracles happen and lives are changed. It is also a place of self-development and vast opportunity. If you want to help others while you continue to grow personally and professionally, this is the company for you! We offer flexible hours, competitive wages, benefits, and many opportunities for advancement.

## What Does a Therapeutic Support Staff (TSS) Do?

A TSS builds rapport and mentors a child or adolescent who is struggling emotionally at home, in school, or in other community oriented settings. Providing one-on-one behavioral support, a TSS allows a child to continue succeeding in his/her natural environment. The goal is to enable the child to remain in his/her natural environment rather than being placed in an alternative, more restrictive setting.

## What are the benefits of becoming a TSS at PCS?

- Having a positive impact on a child's life
- Becoming part of a company which believes people are valuable and treats its employees and clients accordingly
- Competitive wages and benefits
- Direct care experience under weekly supervision of an experienced, master's level supervisor
- Part-time flexible positions with opportunities for benefits and full-time hours
- Access to a vast Education Department with a variety of free training opportunities and educational resources to continue enhancing personal and professional development
- Opportunities for advancement

## What are the qualifications for becoming a TSS?

This position requires one of the following:

- Bachelor's degree in a human services field
- Bachelor's degree in any field with one year full-time paid work experience with children or adolescents
- Licensed Registered Nurse with one year full-time paid work experience with children or adolescents
- Associates degree or 60 college credits toward a degree with three years full-time paid work experience with children or adolescents

Additional requirements:

- Valid driver's license
- Reliable transportation
- Automobile insurance
- Child abuse history clearance
- Criminal record check

Pennsylvania Counseling Services is an equal opportunity employer.
